### **About Us**

***River's Bend is a full-service outpatient clinic that has been serving children, adolescents and adults for over 25 years.***

***We offer comprehensive treatment services for mental health and substance use disorder at several levels of care. River's Bend provides its cost-effective behavioral health treatment in an outpatient setting. Our overall goal is to stabilize and maximize each client's well-being through the use of psychotherapy and appropriate psychotropic medications, if needed, in a dignified and respectful way.***
